

# 2018 Summary Report

## Training of Trainers Institutes

### TRAINING OPPORTUNITIES

There were 4 institutes held in 2018. Each 3-day ASQ® Training of Trainers Institute had more than 53 attendees per event, on average.

The ASQ Training of Trainers Institute provided participants with everything needed to instruct their colleagues in using the ASQ®-3 and ASQ®:SE-2 screening tools.

Implement ASQ-3 and ASQ:SE-2

Score questionnaires

Interpret results

Understand the referral process

Work with families from diverse backgrounds

Teach others in your organization how to use ASQ

### SKILLS & TESTIMONIALS

See what a few attendees had to say about the skills gained over the course of the training.

#### COLLABORATION

#### KNOWLEDGE EXPANSION

#### THOUGHT PROVOCATION

#### DIVERSE INSTRUCTION

#### OVERALL COMPREHENSION

"I liked the interactions with other professionals in other programs and the different breakout sessions to learn the material."

—Angela Tyler, Lead Home Visitor, Early Head Start at CHOP, PA

"Comprehensive, interactive, engaging, challenging, and practical. [The] process of reviewing results offers a natural progression into deepening connections [and] building relationships with families."

—Kim Whittaker, Clinical Nurse Educator, Fraser Health, BC, Canada

"[N]ot only do you learn how to give a thorough training, but you also learn the research behind the questionnaires."

—Sarah Park, Screening & Assessment Specialist, Early Learning Coalition of Manatee, FL

"This seminar helps to [screen] kiddos in multiple areas—the training would benefit those working with children in all different capacities."

—Shannaria Morton, Special Education Instructional Assistant, Muckleshoot Early Learning Academy, WA

"I have never attended a training with presenters who were so incredibly knowledgeable on the topic. . . Wonderful!"

—Beth Tuthill, Assistant Child Development Director, One Hope United, IL

## REASONS TO ATTEND

There are many reasons to attend an ASQ Institute, but here are some of the most popular responses.

Network with other early childhood professionals

Expand knowledge of ASQ-3 and ASQ:SE-2

Meet and learn from ASQ expert trainers

Gain techniques and materials to conduct trainings

## MEET THE TRAINERS

Institute trainers are people who have been involved in the authorship, development, and/or research of the ASQ-3 and/or the ASQ:SE-2.

**Jantina Clifford, Ph.D.**

- Faculty member at the University of Oregon Early Intervention Program
- She teaches graduate courses in early intervention and early childhood special education
- Provides training internationally on the ASQ-3, ASQ:SE-2, and SEAM screening and assessment tools

**Jane Farrell, M.S.**

- Early Intervention/Early Childhood Special Education Specialist for EC CARES in Lane County, Oregon
- Received her master's degree from the University of Oregon Early Intervention Program
- The original ASQ Outreach Project Coordinator, providing training and consultation on systematic use of the ASQ in 25 states

**LaWanda Potter, M.S.**

- Administrator for EC CARES, an early intervention/early childhood special education program in Oregon
- Received her master's degree in child development and family studies from Purdue University
- Involvement with several research studies on ASQ, including questionnaire revisions, data analysis, and documentation. She has also provided outreach training on ASQ across the United States

**Elizabeth Twombly, M.S.**

- Senior Researcher and Instructor in the Early Intervention Program at the University of Oregon
- Over 20 years of involvement in ASQ research projects, including renorming for the ASQ:SE-2 and the ASQ-3
- Provides trainings on ASQ nationally and internationally, and has provided technical assistance to states on the development of early identification and referral systems for young children

**Sue Yockelson, Ph.D.**

- Assistant Professor at Brandman University in California (a Chapman University affiliate)
- Former EPIC coordinator at Help Me Grow in Orange County, CA where she worked to promote developmental screening
- Consults on the importance of all area of early identification and referral into Early Intervention and Early Childhood special education systems

## SURVEY SAYS

At the conclusion of each institute, attendees were asked to provide their open and honest feedback about the seminar. The results speak for themselves.

### THE CONTENT

Were you provided with all the information needed to provide ASQ training to your organization?

95

Yes  95%

### THE MATERIALS

Will the training materials be useful to you after the seminar?

100

Yes  100%

### OVERALL TRAINING

Would you recommend this seminar to others?

99

Yes  99%

### FUTURE TRAININGS

Four institutes are planned for 2019. For more information and to stay up-to-date on future events, please visit <http://bit.ly/2019ASQTOT>.

## The 2019

### Training of Trainers Institutes

- April 1–3 in Columbus, OH
- June 24–26 in Salt Lake City, UT
- October 22–24 in New Orleans, LA

### ASQ Online Hands-On Learning Sessions

Now you can sign up for a hands-on, interactive ASQ® Online learning session—whether or not you attend the Institute.

In a hands-on, activity-driven format, this full-day session will cover how to:

- set up an account
- manage participant data
- manage screenings
- communicate with families
- use Family Access
- use reports
- use support
- and more!

Space is limited, so book early!
