

The Project Approach for All Learners

Video Content

In-service and preservice teachers often receive training in a curricular approach without considering how they might actually integrate it into their own setting. The video package included with *The Project Approach for All Learners* shows real teachers in their classrooms, modeling the book's key strategies. See below for a full list of video content included in the online materials.

VIDEO CONTENT

Chapter 2

- Video A.1 Adding to the web
- Video A.2 Building a library with blocks

Chapter 3

- Video 3.1 Pretending with the teacher
- Video 3.2 Creating the teacher planning web
- Video 3.3 Adding to the web with a child
- Video 3.4 Revisiting the web
- Video 3.5 Sketching and dictating from memory

Chapter 4

- Video 4.1 Drawing plans for a bookshelf
- Video 4.2 Moving shelves to play library
- Video 4.3 Using the real shelves as a reference
- Video 4.4 Discovering a possible support for the top
- Video 4.5 Researching how to make a library
