- 2 To submit a question, click "Questions" in the webinar panel and type in your question
- 3 To minimize the webinar panel, click the orange arrow in the upper left of the panel
- 4 If you experience computer audio issues, you can switch to "Phone call" in the "Audio" section of the webinar panel and use the dial-in information provided

2

Treatment of Autism Spectrum Disorder, Second Edition

To work effectively with individuals who have autism spectrum disorder (ASD), SLPs and other practitioners need in-depth knowledge on choosing and implementing interventions for communication and social challenges. The second edition of this bestselling textbook gives professionals the foundation they need to evaluate and compare today's widely used interventions—and determine which ones will promote the best outcomes for the people they serve.
