

# Updates and improvements in the second edition of *The Art and Practice of Home Visiting*

Now reframed as a textbook for **a new generation** of home visitors!

## New and Expanded Content

- **New student-friendly features:** Learning Outcomes and Read-Reflect-Discuss questions in each chapter, case studies, chapter summaries, and a glossary
- **Expanded focus on all home visitors** working with children with *and* without disabilities
- **New and updated content on critical topics**, such as resolving barriers to successful home visits and working with culturally, linguistically, and economically diverse families
- **Expanded table of contents** for easy navigation
- **Increased focus on family-centered home visiting** and the home visitor as a collaborative coach and partner for the family
- **A complete package of downloadable companion materials** for faculty

## New Faculty Materials

- PowerPoint outlines for each chapter
- A sample semester syllabus
- Complete test bank with questions and answers for each chapter
