

BROOKES PUBLISHING C^o

How Our Early Childhood Products *help strengthen* Program Quality & School Readiness

With these high-quality, research-based books and assessment tools from Brookes Publishing, you'll strengthen the quality of your Head Start program and address key domains of school readiness in The Head Start Early Learning Outcomes Framework.

Strengthen Program Quality

These research-based books and reliable screening and assessment tools are all aligned with the goals mapped out by the Head Start Program Performance Standards.

► IMPROVE DEVELOPMENTAL SCREENING

Head Start program standards require age appropriate, culturally sensitive screening for developmental, sensory, and behavioral concerns. Improve your program and catch delays early with our trusted ASQ developmental screener and helpful guide to successful screening.

► CONDUCT REGULAR DEVELOPMENTAL ASSESSMENT

Follow screenings with in-depth assessment to determine a child's functioning in key developmental areas—and use that information to plan activities and supports.

Complete assessment,
intervention & programming
for birth-6

Play-based assessment
& intervention

The Carolina Curriculum

Linked assessment &
intervention for kids
with disabilities

► SUPPORT MENTAL HEALTH

Monitor social-emotional progress in infants, toddlers, and preschoolers—screen with the parent-completed social-emotional screener ASQ:SE-2, and follow up on concerns with the SEAM assessment.

► BUILD FAMILY PARTNERSHIPS

Develop strong, trusting partnerships with parents and help them identify their goals, strengths, and required supports. These reliable tools can help!

Assess & monitor the quality of
parent-child interactions

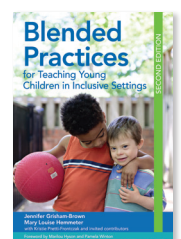

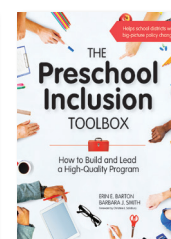

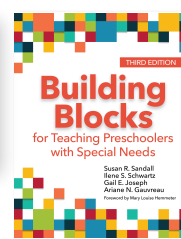

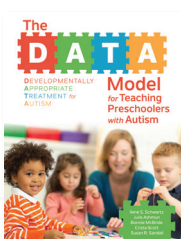

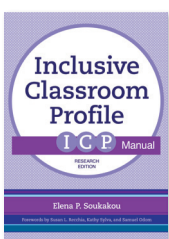

Determine family functioning
in 7 key categories

Screen for risk and protective factors
in the home environment

► ADVANCE INCLUSIVE PRACTICES

These books can help you fully include children with disabilities and build better IEPs so children and families can meet their goals.
