

Discover the new aepsi

Programs using AEPSi are able to transition to the enhanced and redesigned online system and start assessing children with the new AEPS-3.

BENEFITS

Switch to the new AEPSi to get all the benefits of using AEPS-3 in a robust, user-friendly system, including:

- ✓ **Mobile-friendly.** Use AEPSi on your tablet or phone, at a home visit or anywhere in your classroom.
- ✓ **Robust reporting.** Run unlimited child and program-wide reports, exportable as CSV files.
- ✓ **New Enterprise account option** that lets you manage multiple programs and run aggregate reports.
- ✓ **Easy to navigate.** The fresh, modern design is easy to use and intuitive.

PRICING

Three new account options in AEPSi offer flexibility for structuring your program. AEPSi Pro is for single programs, AEPSi Enterprise is for multi-program organizational structures with a single payee, and AEPSi Hub is for oversight and reporting functionality of Pro & Enterprise accounts in a state and large district. (Subscribing costs an annual subscription fee plus the cost of child records.)
