

# NEW EDITION!

## Prevent-Teach-Reinforce for Young Children

The Early Childhood Model of Individualized Positive Behavior Support, *Second Edition*

By Glen Dunlap, Kelly Wilson, Phillip S. Strain, & Janice K. Lee

Now this bestselling guide is in a **thoughtfully revised new edition**, with additions informed by user feedback, the authors' training experiences, and new studies on the effectiveness of the Prevent-Teach-Reinforce model. **Here's what's new:**

New chapter on **classroom-wide procedures** that help prevent challenging behavior

New chapter on interim solutions to **extreme challenging behavior**

**Updates and revisions throughout** based on feedback from users over the last 8 years

New **evidence of the effectiveness of PTR-YC**, demonstrated by a recent randomized controlled trial and single case experimental analyses

More on **ensuring fidelity and sustainability**, increasing the chances for long-term positive outcomes

Updated **downloadable materials now online**: checklists, rating scales, case examples, and a classroom practices assessment
